H-2B Final Rule Stakeholder Briefings taking place on March 14th, 20th, 27th and
April 17th of 2012**

Public Webinars

The three public webinars will take place on Wednesday, March 14th; Tuesday, March 20th; and Tuesday, March 27th of 2012 from 1:30 pm to 4:00 pm Eastern Daylight Time. **Each of the webinars will cover essentially the same information.** The capacity of each webinar is limited to 200 concurrent participants and the ability to log in to a webinar session is established on a first-come, first-served basis. **There is no pre-registration for the three webinars.** Participants will be able to log in to each webinar session **no earlier than** approximately 30 minutes prior to the official start time. Please note that due to the large number of participants, callers will not have the ability to ask questions over the phone line. However, you will be able to submit your questions through the webinar chat function or by emailing your questions in advance to H-2B.Regulation@dol.gov.

Because of a potentially high demand for these webinars, we encourage organizations or other groups of participants to access the webinars at a single, centralized location to maximize attendance.
