August 27, 2019. OFLC Announces New H-2A Application Forms and Schedule for Electronic Filing in the Foreign Labor Application Gateway System

The Office of Foreign Labor Certification (OFLC) announced changes to the forms and the online filing process for the H-2A temporary agricultural program.

On August 22, 2019, the Office of Management and Budget (OMB) approved revisions for form ETA-9142A, Application for Temporary Employment Certification, and Appendix A, H-2A Assurances and Obligations. This approved package includes a newly designed form ETA-790/790A, H-2A Agricultural Clearance Order, to collect information about the employer’s agricultural job opportunity in an electronically fillable and fileable format, reducing the need for employers to submit "paper-based" job orders to State Workforce Agencies (SWAs).

OMB also approved form ETA-9142A, Final Determination: H-2A Temporary Labor Certification Approval, which allows OFLC to begin issuing H-2A temporary labor certification approvals electronically to employers and, if applicable, their authorized attorneys or agents.

The following schedule outlines when the new and updated forms will be used, as well as the migration from the iCERT to FLAG System.

Electronic Filing Schedule for New H-2A Application Forms

Beginning September 4, 2019 (at 12:00 p.m. Eastern Time):

- The FLAG System’s H-2A Program Module will be enabled and stakeholders will be able to begin preparing job orders using the Form ETA-790/790A and applications using the Form ETA-9142A. However, the FLAG System will not permit the submission of H-2A job orders and applications until October 1, 2019, at 12:00 p.m. Eastern Time.
For Use in Filing Applications under the H-2A Agricultural Program ONLY

Section E
Provision of Meals

1. Describe how the employer will provide each worker with three (3) meals a day or furnish free and convenient cooking and kitchen facilities so that workers can prepare their own meals. Where the employer provides facilities for workers to prepare their own meals, please explain how the workers will have access to stores where they can purchase groceries and describe the facilities and space for food preparation, as well as the necessary equipment, appliances (including refrigeration), cooking accessories, and dishwashing facilities (e.g., adequate sinks with hot and cold water under pressure) that are in working condition and will be used by workers to sufficiently prepare three (3) meals a day. If the employer has an agreement with a third-party that will prepare the meals for the employer’s workers, identify the vendor and explain the employer’s arrangement with the vendor with sufficient detail to apprise workers how, when, and where the workers will obtain the meals from the vendor and that the employer will pay the vendor directly for the meals provided. 2. Select the option designating whether the employer will charge workers for the provision of meals. If the employer intends to charge workers for the provision of meals, the daily charge per worker must be entered in currency format (e.g., $99.99).
Good example:

**E. Provision of Meals**

**Meal Details [E.1]** Employer will provide free, convenient and fully equipped with refrigerator, stove, pots, pans, utensils and counter space cooking and kitchen facilities to workers living in employer provided housing, which will enable workers to prepare their own meals. At a minimum, describe the arrangements for transporting workers, at no cost to workers, from employer-provided housing and, if applicable, centralized pick-up points to the places of employment at the beginning of each workday and back at the end of each workday. Please also disclose the mode(s) of transportation (e.g., vans, buses) that will be used each day, if known, as well as whether the daily transportation at no cost to workers is available to workers who do not reside in employer-provided housing. For example, the employer may state that it will provide or pay for charter bus services or other modes of transportation to groups of H-2A or U.S. workers, or permit workers to select any means of transportation they choose and reimburse workers at no less than the most economical and reasonable common carrier transportation charges for the distances involved. If additional space is needed, use the Form ETA-790A, Addendum C.

3. Enter the amounts per day that the employer will pay for or reimburse daily meals for each worker
   a. Enter the minimum daily subsistence amount per day in currency format (e.g., $99.99).
   b. Enter the maximum daily subsistence amount per day with receipts in currency format (e.g., $99.99).

ADDENDUM C

Addendum C may be used to elaborate or further explain material terms or conditions of the job offer previously disclosed on this clearance order or to disclose a material term or condition of the job offer that is not covered by the Form ETA-790A.

NOTE: Addendum C will collect two sections of additional information per page. For electronic filings, if the employer needs to disclose more sections of information, the filing system will automatically provide the employer with the option of adding more sections of the Addendum C until the response is completed. For mailed or paper filings, the employer will make one or more copies of the Addendum C to complete and attach to the Form ETA-790A.

For example, if additional space is required to fully disclose the qualification and requirement information for Item B.6 of the Form ETA-790A, on Addendum C, enter “B.6” in Item 1. Otherwise, enter “H” as the section, followed by a sequential number (e.g., H.1 for the first additional item disclosed, H.2 for the second additional item disclosed).

For example, if additional space is required to fully disclose the qualification and requirement information for Item B.6 of the Form ETA-790A, on Addendum C, enter “Job Qualifications and Requirements” in Item 2. Otherwise, enter a descriptive category for the additional information to be disclosed (e.g., “Additional Conditions about the Wage Offer”).

3. Enter the additional information to be disclosed related to Items 1 and 2 above.

Section IV

Tips for Responding to Audits
✓ Audits may be conducted on certified H-2A applications and any adjudicated H-2B applications.

✓ Applications are selected within the sole discretion of the Certifying Officer.

✓ Audit begins with issuance of a Notice of Audit Examination (NOAE) Letter:
  ▪ Requests documentation related to the application.
  ▪ Due date for response is no more than 30 days from the issue date.

✓ Request for Supplemental Information (RSI) is issued for missing information or questions that arise from the NOAE response.
  ▪ RSI responses are due 14 days from the date of the RSI.
Extension Requests

✓ Only one extension (up to 14 days) will be granted per audit examination, **not per letter issued during the audit process**.

✓ An additional extension may be granted in extenuating circumstances which should be detailed in the extension request.
  - Absent the explanation, the request will be denied and the response will remain due on the date listed in the letter.

✓ Submit what you have now, let us know what is missing and why, and send the remaining documents on the new due date.
Helpful Tips

✓ Read the audit letter carefully and respond to all items requested.

✓ NOAE letters change periodically. Make sure to respond to the instructions in the letter issued to you – not a previous NOAE.

✓ Help us complete your audit by providing as much supporting documentation as you can.

✓ It is better to submit a partial response than no response at all. We will review your partial submission while we wait for your full audit response based on an approved extension request.
Helpful Tips Continued

- Supporting documentation is sometimes necessary to address a problem we see or a question we have about what was submitted.
- Submit legible copies of recruitment documentation with the required information clearly visible.
- For H-2A, we are still auditing certifications prior to the new advertising rule which includes documentation in accordance with the recruitment outlined in the 2010 H-2A Final Rule.
  - See 75 CFR 6884, 6971 (Feb. 12, 2010).
