D. Employer Attestation

- 1. Before using alien crewmen to perform any longshore activity, the employer will make a bona fide request to the parties to whom notice has been provided under Item 4(ii) and (iii) below, for U.S. longshore workers who are qualified and available in sufficient numbers to perform the longshore activities at the particular time and location, except that:
 - (i) whenever two or more contract stevedoring companies have signed a joint collective bargaining agreement with a labor organization described in Item 4(i) below, the request for longshore workers may be made to only one such stevedoring company, and
 - (ii) a request for longshore workers to any operator of a private dock may be made only for longshore work to be performed at that dock and only if the operator meets the requirements of Section 32 of the Longshore and Harbor Workers' Compensation Act.
- 2. During the validity period of this attestation, the employer will employ all U.S. longshore workers made available in response to the request for dispatch as attested in Item 1 above and who are qualified, available in sufficient numbers, and are needed to perform the longshore activity at the particular time and location.
- 3. The employer's use of alien crewmembers in any employ to perform any longshore activity is not intended or designed to influence an election of a bargaining representative for workers in the State of Alaska.
- 4. As of this date, the employer has provided notice of this attestation in compliance with 20 CFR 655.537(a)(1) to (include copies of notices):
 - (i) Labor organizations which have been recognized as exclusive bargaining representatives of the U.S. longshore workers and which make available or intend to make available longshore workers to the particular location(s) where the longshore work is to be performed;
 - (ii) Contract stevedoring companies which employ or intend to employ U.S. longshore workers at the particular location(s) where the longshore work is to be performed; and
 - (iii) Operators of private docks at which workers will perform any longshore activity.

GENERAL INSTRUCTIONS

IMPORTANT: Please read these instructions carefully before completing the form. These instructions contain full explanations of the questions and attestations that make up the Form ETA 9033-A. **In accordance with Federal Regulations, incomplete or obviously inaccurate applications will not be accepted by the Department of Labor.**

Submit the completed original Form ETA 9033-A with accompanying documentation along with two copies of the form and accompanying documentation. Attestation must be received by the Department of Labor no later than 30 days prior to the first performance of the longshore activity (or anytime up to 24 hours before the first performance on the activity upon a showing that the employer could not have reasonably anticipated the need to file an attestation for that location at the time). Attestations which are filed less than 30 days prior to the first performance of the longshore activity must include supporting documentation to show that the employer could not have reasonably anticipated the need to file attestation for that location at that time. Attestations must be submitted to the Office of Foreign Labor Certification, Employment and Training Administration, U.S. Department of Labor, 11 West Quincy Court, Chicago, IL 60604-2105. **An employer may file a single attestation for multiple locations in the State of Alaska.**

Anyone, who knowingly and willingly furnishes any false information in the preparation of Form ETA 9033-A and any supporting documentation, or aids, abets, or counsels another to do so is committing a federal offense, punishable by fine or imprisonment up to five years or both (18 U.S.C. §§ 2, 1001). Other penalties apply as well to fraud or misuse of this immigration document and to perjury with respect to this form (18 U.S.C. §§ 1546, 1621).

Section A. Employer Information

Section C. Location(s) and Job Information in State of Alaska

Employer may file a single Form ETA 9033-A for multiple locations in the State of Alaska. Use attachments if additional space is needed.

1. Enter the name of the port(s), and the city(ies) in the State of Alaska in which the port is located.
2. Enter the date of the first performance of the longshore activity.
3. Check appropriate box if claiming an unanticipated need.
4. Enter an estimate of the total number of crewmembers that the employer anticipates requesting for the activity specified for this attestation.
5. Longshore work is defined as activity relating to (1) loading of cargo, (2) unloading of cargo, (3) operation of cargo-related equipment, and (4) handling of mooring lines on the dock when a vessel is made fast or let go. The employer must check each activity it intends to perform.
6. Provide the qualifications required to perform each of the job(s) identified in C.5.

Section D. Employer Attestation

See 20 CFR § 655.534 through 655.537 of the regulations for guidance on the documentation that must be developed and maintained to meet the employer's burden of proof under the attestation elements.

1. Bona Fide Request for Dispatch of U.S. Longshore Workers. The employer must attest that, before using alien crewmen to perform longshore work, it will make a bona fide request for the U.S. longshore workers who are qualified and available in sufficient numbers to perform the activity at the particular times and locations specified. The request for dispatch must be directed to the parties to whom notice of filing is provided under attestation element D.4 (ii) and (iii). Wherever two and more contract stevedoring companies have signed a joint collective bargaining agreement with a labor organization described in attestation element D.1 (i), the employer may request longshore workers from only one of such contract stevedoring company. A request for longshore workers to an operator of a private dock may be made only for longshore work to be performed at that dock and only if the operator meets the requirements of section 32 of the Longshore and Harbor Workers' Compensation Act (33 U.S.C. 932). See § 655.534 of the regulations for a detailed explanation of this attestation element.
2. Employment of U.S. Longshore Workers. The employer must attest that all U.S. longshore workers made available in response to the request for dispatch under the first attestation element, item D.1, who are qualified and available in sufficient number and who are needed to perform the longshore activity at the particular times and locations specified will be employed to perform such activity. See § 655.535 of the regulations for a detailed explanation of this attestation element.

3. No Intention or Design to Influence Bargaining Representative Election. The employer must attest that its use of alien crewmembers to perform longshore activities is not intended or designed to influence an election for a bargaining representative for longshore workers in the State of Alaska. See § 655.536 of the regulations for detailed explanation of this attestation element.
4. Notice of Filing. The employer must attest that at the time of filing the attestation, notice of filing has been provided to labor organizations which have been recognized as exclusive bargaining representatives of U.S. longshore workers and which make available or intend to make available workers to the particular locations where the longshore work is to be performed. Notice must also be provided to contract stevedoring companies which employ or intend to employ U.S. longshore workers at those

locations, and to operators of private docks at which the employer will use longshore workers. The copy of such notices must be submitted to ETA along with the Form ETA 9033-A. The notice must comply with 20 CFR 655.537(a)(2).

Section E. Declaration of Employer

One copy of this form must bear the original signature of employer or the employer's designated agent or representative unless filing by facsimile transmission. See §655.532(a) of the regulations if filing by facsimile transmission. By signing this form, the chief executive officer is attesting to the conditions listed in item D. 1 through 4 and to the accuracy of the information provided elsewhere on the form and in supporting documentation. False statements are subject to federal criminal penalties, as stated above.

If the attestation bears the necessary entries of information and includes required supporting documentation, the Department of Labor will accept the attestation for filing and shall document such acceptance on each of the three Form ETA 9033-A submitted. The Department will provide a copy of the accepted attestation to the Department of Homeland Security office having jurisdiction over the port where the longshore work will be performed by alien crewmen. A copy of the attestation indicating the Department's acceptance will be provided to the employer. The employer may then use alien crewmembers for longshore work at the port for which this attestation has been accepted in accordance with the Department of Homeland Security regulations, unless the Department subsequently acts to suspend or invalidate the attestation. If the employer's attestation is not accepted because it is incomplete or inaccurate, the Department will return the attestation to the employer.

A copy of this attestation, along with accompanying documentation, will be available for public inspection at the Office of Foreign Labor Certification, 200 Constitution Avenue, N.W., Room C4312, Washington, D.C. 20210 or OFLC website at <http://www.foreignlaborcert.doleta.gov>.
