

**Instructions for Accessing the Department of Labor's H-2A 2015 Range Herding  
or Production of Livestock Final Rule Stakeholder Webinar Briefings on  
November 10, 2015 and November 17, 2015**

**Two Public Webinars**

The public webinars will take place on November 10, 2015 and November 17, 2015, from 2:00 PM until 3:30 PM Eastern time. The audio portion of the webinar is accessible via phone and via audio streaming with a limited capacity of 300 concurrent participants. The ability to log-in to a webinar session is established on a first-come, first-served basis. Participants will be able to log-in to the webinar session approximately 30 minutes prior to the official start time. Please note that due to the large number of participants, callers will not have the ability to ask questions over the phone line; however, you will be able to submit your questions through the webinar chat function.

Due to a potentially high demand for the webinars, we encourage organizations or other groups of participants to access the webinars at a single, centralized location to maximize attendance.

**The webinars are subject to change or cancellation.** The Department will post on this website any updates.
