

**Instructions for Accessing the Department of Labor's
H-2B Stakeholder Webinar
February 17, 2016 and February 18, 2016**

Stakeholder Webinars

The Department of Labor will host two public webinars to educate stakeholders, program users, and other interested members of the public regarding the changes to the H-2B program made by the 2016 DOL Appropriations Act, enacted on December 18, 2015, and how those changes impact the processing of applications at the OFLC National Prevailing Wage Center and Chicago National Processing Center.

The Webinars will take place February 17, 2016, at 10:00 AM Eastern Standard Time and February 18, 2016, at 2:00 PM Eastern Standard time to allow for maximum participation from interested parties across the country. Each briefing will be identical in content and last 90 minutes. Therefore we request that attendees choose one of the available sessions to listen to the information being presented.

The audio portion of the webinar is accessible via phone with a limited capacity of 200 concurrent participants and via audio streaming with a limited capacity of 500 concurrent participants. The ability to log-in to a webinar session is established on a first-come, first-served basis. Participants will be able to log-in to each webinar session approximately 30 minutes prior to the official start time. Please note that due to the large number of participants, callers will not have the ability to ask questions over the phone line.

Because of a potentially high demand for these webinars, we encourage organizations or other groups of participants to access the webinars at a single, centralized location to maximize attendance.
